The Sermon on the Mount

"Let no one despise your youth, but be an example to the believers in word, in conduct, in love, in spirit, in faith, in purity." 1 Timothy 4:12

In the Church we hear all the time that the young can't relate to the old, and the old can't relate to the young. Some will say, "You're too young to know anything - you lack experience..." Others will say, "You're too old and you're way out of touch..." These are only true if the person removes the emphasis off the Word of God, and places it upon himself.

If we as the Church keep the emphasis on what the Word of God says, then it doesn't matter how old we are, or how young we are, for the Word of God is the same yesterday, today, and forever. SELAH
